One Acquisition Solution for Integrated Services Plus (OASIS+)

OASIS+
One Acquisition Solution for Integrated Services +

Best-in-Class

OASIS+ has been designated as a Best-in-Class (BIC) contract by the Office of Management and Budget making it a preferred governmentwide solution.

OASIS+ is a governmentwide contract program designed to meet government agencies' mission needs for a full range of service requirements that integrate multiple service disciplines and ancillary services and products.

The program consists of six separate, distinct IDIQ contracts designated under the following small-business set-aside programs, including an additional IDIQ that will be awarded on an unrestricted basis:

- **Total Small Business (SB)**
- **Small Business Administration (SBA)–Certified 8(a) Small Business (8a)**
- **SBA-Certified HUBZone Small Business (HZ)**
- **SBA-Certified Service-Disabled Veteran-Owned Small Business (SDVOSB)**
- **SBA-Certified Women-Owned Small Business (WOSB)**
- **Unrestricted (UR)**

Contract Scope

The contract scope is organized by Domains, which are functional groupings of related services. Each Domain contains multiple North American Industry Classification System (NAICS) codes. Find the OASIS+ NAICS codes by Domain at **https://www.gsa.gov/oasis-plus/about/domains-naicscodes-scope-labor-categories/**.

There are eight Domains that compose the scope of Phase I:

- Management and Advisory Services
- Technical and Engineering Services
- Research and Development Services
- Intelligence Services
- Environmental Services
- Facilities Services
- Logistics Services
- Enterprise Solutions (available only on the OASIS+ UR IDIQ)

At least five additional Domains are planned to be added during Phase II, including:

- Business Administration
- Financial Services
- Marketing and Public Relations
- Social Services
- Human Capital

OASIS+ Features and Benefits

Features	Benefits
• Flexible, expandable Domain-based structure with fair-opportunity groupings across six distinct contract programs, five of which are SB and socioeconomic set-asides	• A single solution for a broad scope of complex and frequently changing requirements and all contract types • Supports SB set-asides and sole-source (direct) 8(a) orders with SBA coordination
• Global access to all contract types for commercial and non-commercial services acquisitions, including a hybrid of the two	• Offers flexibility to choose appropriate contract type to mitigate risk
• No contract ceiling or cap on awards (contract and task-order level)	• Increased competition at the task-order level • No risk of reaching maximum ceiling and interrupting mission-critical procurements for customer agencies
• Technology-based ordering and market-research tools are planned and will support customers with using the contracts	• Saves time and money by reducing procurement lead time and administrative effort
• Industrial base of highly qualified contractors	• Access to contractors with demonstrated federal experience
• 10-year order period (base of five-year and one five-year option period)	• Allows for long-term planning of large-scale program requirements
• Frequent on-ramping after initial award	• Ensures greater competition and access to highly qualified contractors, including socioeconomic concerns
• FAR Subpart 16.505 streamlined acquisition procedures	• Allows for ease of ordering versus FAR subpart 15.3 • No protests on orders valued up to $10 million

Ordering Information

OASIS+ provides federal agencies access to highly qualified contractors. It makes procuring a full range of complex non-IT service requirements across multiple service disciplines, ancillary services, and products easy and effective by maximizing streamlined acquisition processes and providing a one-stop-shop experience. The full and comprehensive ordering guide is on the OASIS+ website at www.gsa.gov/oasis-plus.

Delegation of Procurement Authority

Before issuing orders under OASIS+, the **Ordering Contracting Officers (OCOs) must receive training on the use of the OASIS+ contract and be granted a written Delegation of Procurement Authority (DPA)**. The training is **required** for any staff to post a solicitation in eBuy; however, only a warranted OCO may obtain the DPA. Attendees can receive 1.5 CLPs for completing the 90-minute training offered at no cost via:

- Onsite training conferences and events
- Instructor-led virtual training

Want more information about DPA training? Reach out to us at OASISPlusDPA@gsa.gov or visit our OASIS+ website.

Overview of the Competitive Ordering Process

1. Conduct market research, develop acquisition strategy, and define requirements.
2. Determine that OASIS+ scope meets your requirement needs.
3. Determine the appropriate contract vehicle to use for your requirements [Total SB, UR, 8(a), SDVOSB, WOSB, or HUBZone].
4. Select the appropriate functional area grouping, also known as Domain, under the contract program you selected.
5. Select the appropriate NAICS code under the applicable Domain.
6. Issue solicitation in eBuy under one contract **only**, one Domain **only**, and one NAICS code in the selected Domain **only**.
7. Receive and evaluate proposals.
8. Issue task-order award and report task-order information in the Federal Procurement Data System (FPDS).
9. OASIS+ industry partner performs on the task order.
10. Complete past-performance evaluation.
11. Complete task-order closeout and send the report to oasisplusmods@gsa.gov.

See FAR 19.805 for 8(a) competitive thresholds ordering, which is the same as the competitive ordering process for other OASIS+ contract programs.

Overview of 8(a) Sole Source Ordering Process

1. Conduct market research, develop acquisition strategy, and define requirements.
2. Determine that OASIS+ scope meets your requirement needs.
3. Determine the appropriate contract vehicle to use for your requirements [Total SB, UR, 8(a), SDVOSB, WOSB, or HUBZONE].
4. If requirements are appropriate for OASIS+ 8(a), select 8(a) master contract.
5. Select the appropriate functional area grouping, also known as a Domain, under the contract program you selected.
6. Select the appropriate NAICS code under the applicable Domain.
7. Submit 8(a) sole-source offering letter for SBA approval.
8. Issue task-order request to a single industry partner in eBuy under 8(a) contract program **only**, and one Domain **only**, and one NAICS code under the selected Domain **only**.
9. Receive and evaluate proposal in coordination with SBA (See FAR 19.808-1).
10. Issue task-order award to 8(a) industry partner and report task-order information in the FPDS.
11. OASIS+ 8(a) industry partner performs on the task order.
12. Complete past-performance evaluation.
13. Complete task-order closeout and send the report to oasisplusmods@gsa.gov.

GSA eTools

- **GSA eBuy:** The OASIS+ program will use eBuy for task-order solicitation. eBuy provides Ordering Contracting Officers (OCOs) and industry partners a centralized portal with real-time, automated responses when solicitations are issued. It allows buyers and sellers to post, respond, and track RFIs and RFPs seamlessly to fulfill requirements. Get started with the task-order solicitation system at http://eBuy.gsa.gov. GSA eBuy already has numerous job aids to support buyers and sellers.
  - Brochure for buyers: https://www.ebuy.gsa.gov/ebuy/assets/content/eBuy-Buyer_jobaid.pdf
  - Brochure for sellers: https://www.ebuy.gsa.gov/ebuy/assets/content/eBuy-Contractor_jobaid.pdf

- **Symphony Procurement Suite:** The program will use Symphony Procurement Suite to receive and evaluate proposals from industry partners who are interested in becoming an OASIS+ contract holder or for those adding new domains to their contract. The portal is https://oasis.app.cloud.gov/. You can find more information at the OASIS+ website at www.gsa.gov/oasis-plus.

- **Contract-Awarded Labor Category (CALC+) tool:** Search awarded ceiling rates for labor categories, perform market research on professional services labor categories, build Independent Government Cost Estimates (IGCE), and make price comparison evaluations. Learn more at https://buy.gsa.gov/pricing/.

- **Scope Review tool:** Request a complimentary scope review to help you determine whether your requirement is within the scope of the GSA contract being considered. Get started at https://feedback.gsa.gov/jfe/form/SV_6s3udkBbX9z1zee.

- **Steps to Performance-Based Acquisition (SPBA):** Use this digital platform to walk through the eight steps of performance-based acquisition, including templates and resources. Learn more at https://buy.gsa.gov/spba.

- **Civilian Services Acquisition Workshop:** Consider taking part in a facilitated requirements development workshop built around a specific acquisition to reduce the need for contract revisions, modifications, and added costs. Learn more at www.gsa.gov/csaw.

For More Information

To learn more about how OASIS+ can support your complex services requirements:

- Visit our OASIS+ website at www.gsa.gov/oasis-plus.
- Call GSA's National Customer Service Center (NCSC) at 800-488-3111.
- Find the latest OASIS+ program update on the OASIS+ Interact community at https://buy.gsa.gov/interact/community/196/activity-feed.
- Still have questions about OASIS+? Reach out to us at OASISPlus@gsa.gov.
